

Summer Analyst

The Marquee Group is actively looking to hire a Summer Analyst with knowledge and experience of Microsoft Excel. This position will provide applicants with the opportunity to gain invaluable experience in the Capital Markets and Finance industry.

About the Position

The successful candidate could expect to be involved in the following tasks:

- Assist the professionals who will be building and reviewing forecast models and custom Excel solutions for delivery to external clients by Marquee's financial modeling consulting practice.
- Provide support as needed to assist in the delivery and development of our training, consulting and/or accreditation business units.
- Additional tasks that may arise as needed.

To be considered for this position, the applicant must possess the following qualifications:

- Enrolled in an undergraduate business program
- Proficient in financial modeling and Excel
- Passion for finance and Excel
- Strong communication skills
- Self-starter with ability to work collaboratively in small teams
- Past participant in Marquee courses (preferred)

About The Marquee Group

Marquee is a leading financial modeling firm focused on consulting and training services. We have worked with many companies in a consultancy capacity to develop or enhance their financial models. For several years, Marquee has led the annual training programs at numerous banks, as well as at various pension funds, corporations and business schools. We have taught thousands of professionals across North America, Europe, Asia and Australia.

The position is located in Toronto, Ontario and applicants will be responsible for all travel and accommodation costs during the recruitment process as well as during the length of the position.

If this opportunity interests you, please submit your resume and cover letter. Following the this application, all applicants will be required to complete a short online evaluation.

We thank all applicants for their interest, however, only those candidates selected for interviews will be contacted.
