

INSTRUCTOR

Contract Basis

Full Time or Part Time

Financial Modeling, Excel and/or
Data Sciences

Overview

The Marquee Group is a leading provider of financial modeling, Excel and data sciences training. Since 2002, The Marquee Group has provided current and aspiring financial professionals with the tools they need to understand and master critical areas of financial modeling and analysis.

We provide in person and virtual instructor led training seminars to banks, financial institutions, corporations, professional organizations and universities. We have taught thousands of professionals all across Canada, the United States, the United Kingdom, Mexico, Australia and China.

As an Instructor, you will lead training sessions that help participants develop the skills necessary to excel in finance careers, develop your presentation and public speaking skills and expand your professional network.

Our instructors are experienced finance practitioners and have investment banking, equity research, capital markets and management backgrounds.

This unique role provides the opportunity to teach at a world class organization while continuing to pursue other outside activities.

Requirements

- Undergraduate or graduate business degree
- Capital markets or other relevant work experience
- Passion for teaching and in-depth knowledge of financial modeling, Excel and/or Data Sciences
- Teaching experience is highly desirable, but not required
- Teaching Assistant or coaching experience desirable
- Passion for finance and excellent communication skills
- CFA, CPA or other finance related designations are desirable
- Ability to travel is a benefit

Compensation & Benefits

- Instructors are compensated on a per diem basis using market competitive rates
- Flexible working schedule. Contract Instructors have the freedom to set their own schedule by selecting which courses they teach, including times, locations and courses
- Remote working opportunities available
- New Instructors are compensated for their professional development time while completing Marquee's Train the Trainer program
- All travel, accommodation, and other training related out of pocket expenses are reimbursed

About the Role

- Serve as the lead instructor for live in person and virtual training programs
- Pre-course tasks include liaising with client and Marquee
- Post-course tasks include responding to course participant inquiries
- Opportunity to engage in business development activities
- Opportunity to work on financial modeling advisory projects

To Apply
